## *Dress a Cat*

*Dear QWS Guild Members,*

Here is an opportunity to express your creativity. I have provided a rudimentary cat pattern for you to appliqué in any method. You can modify the pattern if you wish, and then have fun dressing your cat, adding accessories, setting him or her in a light-value background, and embellishing to your heart's content. The goal is to finish with a 12 1/2" unfinished block. Please sign your name before turning the block in. THANKS so much!
